AMENDMENT

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VA 22313

SIR:

In response to the Official Action dated April 9, 2003, please amend the above-

identified application as follows:

IN THE CLAIMS

Please cancel Claim 20 without prejudice or disclaimer.

17. (Twice Amended) A plastic molding comprising:

at least one transfer surface, the transfer surface being an optical surface; and

a plurality of imperfect transfer portions each having a concave or convex shape,

wherein at least one of the imperfect transfer portions is located in at least one prescribed

portion of the plastic molding so as to release a residual resin-pressure and an inward
